

UNIVERSITY OF
TORONTO

YEARS OF INSULIN

Celebrating its impact on our lives

WEDNESDAY, APRIL 14, 2021

4:30 – 8:15 PM ET / Virtual Conference

CHAIRS

JACQUELINE JAMES

BSc, MD, MEd, FRCPC

GARY LEWIS

MD, FRCPC

To celebrate the 100th anniversary of the discovery of insulin, the Banting & Best Diabetes Centre, Diabetes Action Canada, and the University of Toronto Department of Medicine have brought together a diverse group of speakers to share their diabetes stories. Learn the latest approaches to using insulin, while hearing from people living with diabetes, and discover how we are changing the way research is done. Open to all, this event will educate and inspire.
